Willingness to recognise the need to deepen our faith	Pray for all those suffering from any kind of disease, life threatening or not. We pray for healing, for understanding, for compassion and love to all those affected by the illness, the family and the friends including work colleagues.	Pray for the people of Morocco as they continue to clear up after the devastating earthquake in the Atlas Mountains. Pray that the relief agencies have sufficient, food, water, clothing, blankets and tent for all in need.	Pray for the 300,000 + people who have been affected in the Atlas Mountains of Morocco. Pray for donations of blood and medical kits are received by the Emergency Relief organisations and that the after shocks cease.	Pray for the Ukraine as it continues to retake land taken by Russia. Pray that the Women and children that have been displaced by this unprovoked war, have the food and medicines they require.	Pray that Eco-anxiety, climate doom, environmental existential dread do not overtake people who continue to assist with the Climate Crisis, we must not lose hope - because hopelessness breeds apathy.	Pray for Environmental initiatives like the one started by Cool Roof France (CRF), who's are utilising the more than 130,000 tonnes of oyster shells thrown away every year to make sustainable and cost effective paint.	Pray for Environmental Initiatives like the Wave Power plants, more than half the world's population live within 100km of a coastline, so energy companies can save on transmission costs.

Seeking to ensure that our faith is translated into action	Pray for more examples of the US landmark legal battle, where a US court has ruled that children have a constitutional right to a healthy environment. Young environmental activists scored a ground-breaking legal victory.	Pray for India's Eco successful greenhouse emissions rate dropped by 33% in 14 years, which shows it's well on the way to meeting a commitment to reduce emissions intensity by 45 per cent from the 2005 level by 2030.	Pray for more green spaces, aside from their cooling effects, green spaces are linked to increased happiness, better mental health, increased social interactions and lower risk of cardiovascular disease.	Pray for the people of Yemen, their nine year long civil war, which the UN has brokered a two-month nationwide truce on 2 April 2022, has long since collapsed, leaving the civilian population in a continued impoverished state.	We pray for the people of Russia who continue to be dominated by their leader and the armed forces. Pray that the Russians see through the misinformation coming from official sources and start asking for peace.	Pray for Eco initiatives like Scarborough's council's highways maintenance staff who are trying out new electric, battery-powered tools in order to lower the carbon footprint of the repairing potholes.	Pray for Eco initiatives like a Geneva nonprofit that is rolling out street-side, free-access refrigerators where people can give and take food that might otherwise perish which helped save around 3 tonnes of food from going to waste last year.

Counting the blessings individuals bring to others	Pray for Eco Initiatives like the end of the systematic printing of paper sales receipts which has come into effect in France, this measure, which also applies to bank card receipts.	Pray for the group of US Army veterans wounded in combat, who are working to restore coral reefs off the southern tip of Florida, USA while helping themselves both physically and emotionally.	Praise God for the discovery that Daffodils grown at higher altitudes, produce a crucial medical compound that is used in the management of Alzheimer's and early evidence shows when fed to cows reduces their methane emissions.	Pray that Wind and solar projects are on track to account for more than a third of the world's electricity by 2030, a report by the Rocky Mountain Institute (RMI), this signals that the energy sector can achieve the change needed to meet global climate goals.	Pray for a day of non-violence & ceasefire worldwide that will show us an end to conflict is possible. Peace is needed today more than ever, war & conflict are unleashing devastation, poverty, and hunger.	Pray for the women factory workers in Ethiopia, who are being exploited by their employers, working in unsafe conditions for low pay and long hours and where violence, harassment and sexism by management are commonplace.	Pray for the Christian organisation's bought Radio Station which broadcasts Gospel programs throughout North Africa. These radio programs are helping Muslims unravel their Islamic faith and turn to Jesus and God.

Making a difference through serving others	Pray for a change in the UK Government proposals to weaken the Environmental policies / Strategies which if implemented will jeopardies achieving our Carbon Reduction commitments.	Pray for indigenous women and youth in Honduras in their work as agents for change, recognising their continuous struggle for their rights, the defence of their territories and for their voices to be heard for self-determination and justice.	Pray for the continued reduction of deforestation in Brazil's Amazon rain forest, which dropped by a third during the first six months of current President term, according to government satellite data.	Pray for Faith for the Climate, one of Christian Aid's partners in the Make Polluters Pay campaign. Make Polluters Pay Action Day is an international call for action on loss and damage, and people from all across the world will be taking part!	Pray for Christian Aid's work in partnership to support resilient livelihoods in Nicaragua. Nicaragua is the second poorest country in the western hemisphere. It is one of the three countries in the world worst affected by weather catastrophes.	Pray for stronger partnerships, increased investment & shared responsibility to overcome air pollution. Given the transboundary nature of air pollution, all stakeholders have a responsibility to protect the earth's atmosphere and human health.	Pray for the safety of educators and for access to education for all as education is a fundamental human right. Pray for children & youth caught up in emergency situations, education not only means the continuity of learning, but it also provides a sense of normalcy.	
	30	31	Notes:					
	Pray with thanksgiving for all who give their energy and resources to charities. Charity, like the notions of volunteerism and philanthropy, provides real social bonding and contributes to the creation of inclusive and more resilient societies.	Pray for people advancing solidarity and co-operation between communities and countries in the global South. South-South cooperation is a manifestation of solidarity among peoples and countries of the South that contributes to their national well-being.
