

Good Afternoon

Hope that everyone has had a great Easter. This weekend is another Bank Holiday, we hope that everyone has some great plans for this weekend such as visiting grand parents or going for a day out or a lovely walk.

As it is a Bank Holiday we are hoping that you enjoy it, we are really sorry but this weekend there will unfortunately be no Under 10's fellowship online as we would not like to change any of your plans and having time together. What we have done is found some great resources from Muddy church that if you have time you can do together with your children or let them explore on their own. These resources are from a great company called Muddy Church which have a lot of resources for all year around and for you to get outside.

 [Bank Holiday resources](#)

We are going to be back in July with our under 10's fellowship and later in the year we will have a chance to share and found out what each of us have found in our communities.

Next Month it will be the Queens Platinum Jubilee where we will be again using Muddy Church resources that you and your children as well as your neighbours children can use and explore together.

Many Blessings

Ady and Ruda
