## The Methodist Church

Coventry and Nuneaton Circuit

Hi, we are the Youth Pastors in the Coventry and Nuneaton Methodist Circuit, Pastor Ady White and Pastor Ruda Mvundura. Welcome to the newsletter where you can find out what has been going on, what is happening, and coming up in the circuit and further away.

Meet Rev Marcus Torchon our Super Intendent of the Circuit. When you see him please say hello to him as he is always glad to talk to all

My calling to the Lord's ministry, together with my practical and theological understanding of it, has been evolving. In 1983 when the Lord placed his call upon my life in the Methodist Church in the Caribbean and the Americas (MCCA), I did not fully know what the Lord meant, neither did I fully understand what he was leading me into. I did not know, in his Preventive Grace, that he meant for me to serve the Coventry and Nuneaton Methodist Circuit at this time. As I trusted him then, I trust him today.

Throughout my calling, I have been committed to reconciling, with the help that the Spirit provides, the duality between the proclamation of the gospel in word and sacrament and the demonstration of the gospel as exemplified in charitable giving, economic empowerment, and social justice. Neither is complete without the other in the economy of God's mission.

In connection with this reconciliation is the Circuit's mission statement, summarised in the strap line, 'Loving Others as God Loves us', which grounds its missional practice. An outline of this practice is rooted in the principles of the Circuit's Evangelical Growth Action Plan (EGAP) which Methodists and Methodist friends are inhabiting. I constantly rely on the Holy Spirit to multiply the fruit of such a practice.

Welcome to Summer!!

We hope that you can all have a great rest over this time and have fun together in your gardens or down the Park.

As you spend more time outdoors, take a moment to be still and admire God's creation, make a prayer to God appreciating the green grass, the colorful flowers, the chirping birds, and the glorious sunshine!

We hope you can find inspiration to grow closer in your intimacy with God over the summer. As you spend time with your brothers, sisters, cousins, aunts, mothers, uncles, grandparents, fathers and Carers remember to be kind and make the best out of every moment before schools open again.

God bless you!!

# HEAD STRONG

Things to think about for good Wellbeing

Over the Summer

Find somewhere where you can take a rest and a place to enjoy Gods creation. Whether that be at the park or even in your Garden. If you go to the seaside, take the time to look out and see how vast the sea is and how far it stretches.

Remember to make sure that you are well hydrated and that you eat well.

Spend time in Gods presence and read or listen to a passage like Psalm 23 and contemplate over it. Think about how you are being refreshed and let go of those things that are holding you back.

Be safe enjoy yourselves and eat ice cream.

IGC (Intergenerational Church) Worship, Church for all. This is a great opportunity for everyone from the Circuit as well as the community to come and worship and explore together in a different way and it being in a relaxed way where you can find your own way of worshipping.

IGC is: For **all** to worship in a new way with the focus being on God & God alone!
