Mission Morning

This event took place at Bedworth Methodist Church on Saturday 24th April. It was encouraging to have 10 churches represented especially as it was the start of half term week.

All churches should now have received the Bible Study booklets for John's Gospel and we invite you to a Circuit Bible Study evening on zoom Thursday 19th June at 7 - 8 pm where we will look at John chapter 1 together.

Please give the booklets out to everybody to begin their Bible reading during June. Thank you.

Please contact the circuit office for the zoom link.

Easter Offering Service

The Easter Offering Service took place at Earlsdon Methodist Church on Sunday 1st June 2025.

Thank you to all those churches who attended.

A big thank you goes to Helen Holdforth from Earlsdon Methodist Church who organised this event for the circuit.

The Easter Offering is important for the work of the Methodist Church overseas. Helen met the co-chair of MWiB at a recent conference and was able to give each church a pack of information about its organisation and grants available from them.

VE Day Celebrations

Ridge Lane

Much fun and food were in evidence at Ridge Lane as we marked 80 years since VE Day with a party. Many people came from the village and filled the church and garden, and Trevor donned overall and flat cap to sell bags of sweets of the time - and none were rationed!

Fillongley

At Fillongley, the knitters had been out in force and this Street Party display was all knitted, even the cakes and sandwiches. It featured on the local news, and gained nearly 12,000 likes on social media, and many people came to see it for themselves.

Long Service Awards

On 17th May the Accreditation service for Jo Hibbard included the presentation of Long service awards for local preachers, David Kershaw (60 years) and Judith Mudzamiri (25 years)

Ascension Day Service

"One of our oldest preachers, Michael, met one of our youngest, also Michael, at the circuit Ascension Day service at Woodside Ave MC.
66 years between them and quite a few inches in height!
God uses us all younger and older, shorter and taller.
Thanks be to God!"

Eco News from across the Circuit

Please have a look on the Circuit Website at the Eco page.

It's great to hear of how different churches are engaging with projects having care for creation at the heart.

We shared photos of gardens and green spaces around the circuit in last month's circuit news. Recently I attended an online gathering around the Connexion, 'Methodist Church Eco-Community Network' where we heard of amazing community gardens large and small which congregations and communities have created. One involved planters with pollinating and edible plants on an area of tarmac. Young people had made the containers from car tyres, wood and scrap materials.

Another was a new garden created on the site of a demolished church in County Durham. A third was the transformation of the green space behind a local GP surgery into a community garden. So inspiring!

The phrase that struck me was "touching souls and hearts" – not just sharing depressing statistics around the climate crisis.

We'd love to hear more of what your church is doing.

Knitted Dishcloths are coming along well!

These will be given away by local churches to encourage our neighbours to reuse these cotton cloths and think about the impact of the materials we use.

In the spirit of friendly competition between our churches, we share some 'scores on the doors': Woodside Avenue have made 44 so far. We will be having a health Fayre on Saturday 18th October where we hope to give away any we have then

Some dishcloth knitters at Earlsdon with 140 dishcloths!!

38 from Balsall Common

50 from Fillongley 'Knit and Natter' – aiming for 100 😊

Don't Forget.....

Our next Circuit GGG (Great Green Gathering) is on Sunday 6th July online 4pm – 5pm (The zoom link will be circulated in advance)

Woodside Avenue Table Top Sale

We managed to knit 44 dishcloths in time to give away at our table top sale.

Woodside avenue South and other local streets were holding tabletop sales, so we decided to join in.

We had 2 tables outside of items for sale as well as a piano out on the street !

We had tables inside and out to sit at and served cream teas and other cakes, By the time we came out of the service and started setting up, people were arriving, and we had a chaotic time getting out cakes and items on the stall. We were amazed at the amount of people that popped by and there were constantly people in the church right up until it finished at 3pm. It was lovely to be able to engage with so many of our neighbours .This community engagement came about due to the imitative of our Parish Nurse In conversation with one family there seems likely we will welcome them to Woodside to worship.

A massive thankyou to Paula and many helpers

Arising from our pastoral work in the community we have received a substantial gift and The Rotary Club of Coventry has recognized the value of the Baby massage programme with a donation towards a massage doll of £79.

We hope some people will continue to knit dishcloths, for a little longer, to give away at the Health Fayre here at woodside on October 18th.

REFRESH had knitters from the local streets, as well as those from church and a few did this month's craft of decoupaged flower pots . Next month will be decorating glass jars and putting a little light in (subject to change, please email me for more information)

Walk of Faith

Saturday 7th June 2024
Starting from
10.00 am in the George Eliot Gardens
(Behind the Town Hall)

As in previous years, we will walk as one body from the George Eliot Gardens to the Mosque and onto the Sikh Gurdwara, then to the Hindu centre, and finally a Christian church.

The global events over the last few years have left many people concerned and anxious for peace in the world and this event will not only show solidarity with people of all faiths (or none) but also a desire to seek a vision of peace and prosperity for all people regardless of race, religion or culture.

There will be no posters, banners or flags or political statements, just friendly conversation.

The event is organised by the Nuneaton Interfaith Forum. For more details contact
John 07929193431 or Yusuf 07971879926
