Growth Planning Workshop **Saturday 24th May, 10am – 12.30pm** **Bedworth Methodist Church**

As Spring comes, we turn to plan with God for growth in our lives and churches

A circuit morning of input and conversation led by

Adam Sanders – District Mission Advisor

Do join us with others from your local church to spend some time developing vision for the future and working on your church Mission Action Plan

We look forward to welcoming Adam Sanders, District Mission Advisor, to the circuit for our Growth Planning Workshop and we hope to see at least 3 or 4 people from each church.

We will meet on Sat. 24th May (Aldersgate Day!) from 10 am - 12.30 pm at Bedworth Methodist Church, CV12 8JZ.

There is a big Tesco car park opposite and you can park there for 3 hours.

We will be helping each church to finalise your Mission Action Plan for next year and this will help the Circuit Leadership Team to discern where and how we should be using our resources and staffing to support the circuit's churches.

We look forward to seeing you.

It would help to know who is coming from each church, although this isn't essential.

The Great Dishcloth knitting project!

How is your church getting on with dishcloth knitting?

Perhaps we could have some 'scores on the doors?' Please send in your church's count so far and we can publish these in the June Circuit News.

You may be planning how to give these away. Perhaps a stall or event and an opportunity to engage your neighbours in the community with conversation and other 'green giveaways' eg. Seedlings, cuttings, fruit and veg. Send in your ideas/photos to share. Earlsdon is planning a stall on Saturday 14th June outside church in the morning.

(We can continue knitting and giving away into the autumn!)

Unconscious Bias Training

The Church at Carrs' Lane, Birmingham, B4 7SX*

Saturday 14 June 2025, 10 am – 1 pm

For those who are required to undertake this training as part of their role.

What is unconscious bias?

'Unconscious bias refers to a bias of which we are unaware and which happens outside of our control. It is a bias that happens automatically and is triggered by our brain making quick judgments and assessments of people and situations, influenced by our background, cultural environment and personal experiences.'

Hidden biases have the power to undermine and derail our desire to act justly, and fairly towards other people and lots of areas in our decision making, eg, when it comes to recruitment, promotion, and openness to new sources of ideas. It is possible to be unconsciously biased regarding disability, religion, race, gender, age, social class, and more.

We will be using video resources to introduce unconscious bias to you and then sharing in small group conversations after each clip.

There will be reading/study materials that you are required to read before and after the session and this will be sent to you directly when you register for the training by e-mailing Rosie at bryantr@methodistchurch.org.uk

Please do register with Rosie as early as possible.

* Venue - [Church Home | The Church at Carrs Lane](#) - accessible via bus services into Birmingham City Centre near the Selfridges Building, and via Moor Street Station and New Street Station.
