

Young People & Families Work Co-ordinator

Do you have a calling to spur on others (Hebrews 10:24-25)? Do you have a desire to see Children well supported in Church (Matthew 21:15-16)?

The Coventry and Nuneaton Methodist Circuit is seeking to appoint a highly motivated and energetic individual who, guided by the Lord, in the role of Young People & Families Work Co-ordinator is called to help build a co-ordinated and supported witness and ministry to children and young people in the fullness of God's Love for them.

The Coventry and Nuneaton Methodist Circuit is committed to develop an active community of support and encouragement for Junior church workers (paid and voluntary) that aides them in their individual ministries to children and young people across its circuit area. To establish and develop this ministry the circuit is looking for an individual who is willing to work alongside existing ministers and junior church leaders to build communication, resourcing and self-help opportunities that enables them to deliver the 'love of God' to the young people of today.

The circuit is actively engaged in ministries outside of our existing buildings in connection with the Birmingham District's young people's "Amplify" and Connexional "Three Generate" weekends and would be fully supportive of similar initiatives within the Circuit for young people to meet and grow in faith. The post holder will have office space provided at the Circuit Office but will inevitably need to do some travelling around the Circuit.

The appointment is a permanent Role.

20 hours per month

£3,031.20 - £3,787.20 per annum (£22,986.60 - £28,719.60 full time equivalence for 35 hours pw).
